

Build Business with Layaway Programs

Charles Owen

Chief Experience Officer

June 6, 2023

WHAT YOU'LL LEARN

- About layaway plans
- Create a layaway account
- Create a layaway order
- Receive a layaway payment
- View a layaway status
- Recall and complete a layaway transaction
- Create a layaway payment report
- Create a customer report for layaway orders

History of Layaways

- Layaway plans first appeared during the Great Depression when a lot of people didn't have enough cash to pay full price for large purchases.
- Retailers responded by allowing customers to make payments on these items and pick them up when payment was made in full.
- Layaway plans were popular up until the 1980s when credit card usage increased.

Layaway Plans Still Strong

- A 2018 study by eMarketer showed 31% of shoppers would not have made a purchase if a layaway plan were not available.
- Retailers such as Amazon, Best Buy, Big Lots, Burlington, Kmart and Sears all offer layaway plans.
- Layaway is not a loan or offer of credit. It is a purchase agreement that reserves an item which is paid for over a set period of time.

Advantages for customers

- 0% interest makes layaway a cheaper option than credit cards.
- Makes large purchases easier to make.
- Doesn't show up on a customer's credit report.
- Reserves a product and secures its availability which is good for high demand products.

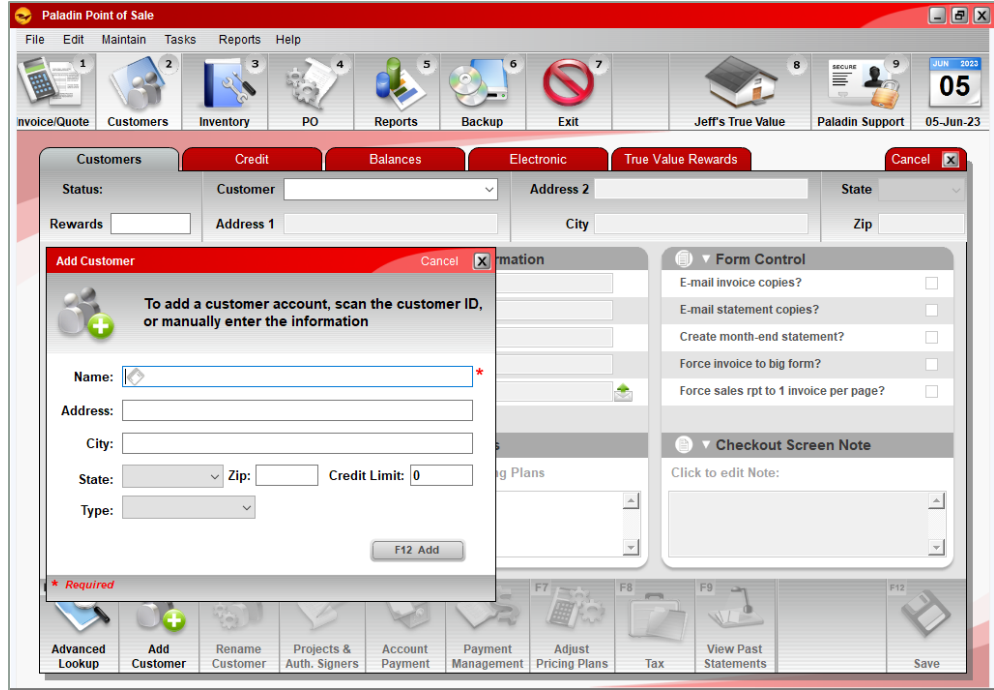

Advantages for stores

- 0% interest provides a cheaper option for customers thereby increasing sales.
- Provides an excellent marketing tool.
- Layaway plan sales don't show up on a customer's credit report which allows stores to make sales to customers who might have a sketchy credit history.
- Creates a better shopping experience for customers by offering affordable payment options.

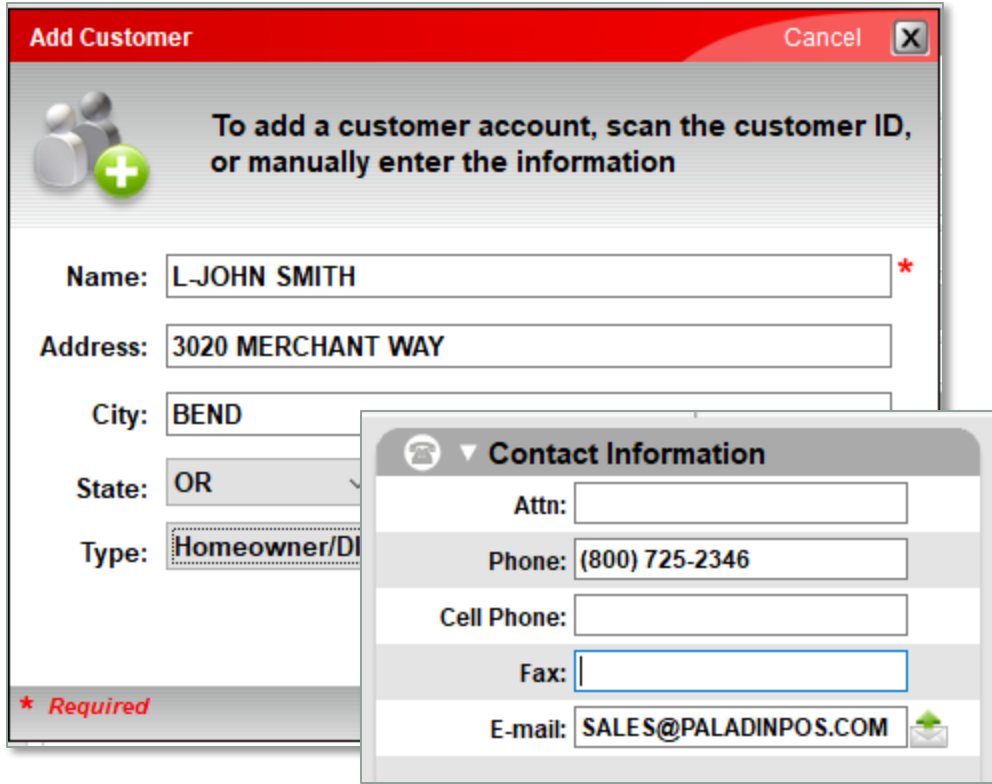

Creating a layaway account

When creating a layaway account in Paladin, it is recommended that you create a separate layaway account for each customer.

1. In Paladin, on the top ribbon, select the **Customers** module.
2. On the bottom ribbon of the module, select **F2 Add Customer**.
3. In the **Add Customer** window, fill out their contact information.

Creating a layaway account (cont'd)

Add Customer Cancel X

To add a customer account, scan the customer ID, or manually enter the information

Name: L-JOHN SMITH *

Address: 3020 MERCHANT WAY

City: BEND

State: OR

Type: Homeowner/DI

* Required

Contact Information

Attn:

Phone: (800) 725-2346

Cell Phone:

Fax:

E-mail: SALES@PALADINPOS.COM

If you have a 2D barcode scanner barcode scanner you can scan the back of a driver's license, which will auto-fill the address information.

4. To identify it as a layaway customer, in the **Name** field, be sure to include the word **LAYAWAY** or the letter **L-** (L dash) before your customer's name. (examples: LAYAWAY-JOHN SMITH or L-JOHN SMITH)

5. Click **F12 Add**.

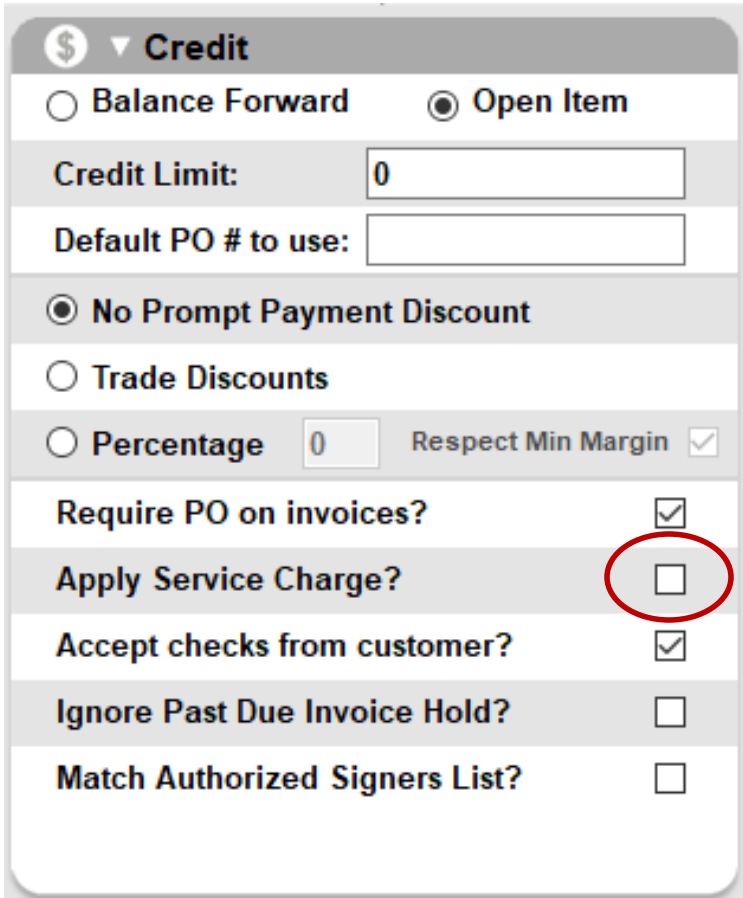

Tip: You'll want to collect and record their phone & email as well.

Creating a layaway account (cont'd)

Form Control	
E-mail invoice copies?	<input checked="" type="checkbox"/>
E-mail statement copies?	<input checked="" type="checkbox"/>
Create month-end statement?	<input checked="" type="checkbox"/>
Force invoice to big form?	<input checked="" type="checkbox"/>
Force sales rpt to 1 invoice per page?	<input type="checkbox"/>

6. In the **Customer** tab > **Form Control** pane, depending on if you want layaway customers to receive statements, either check or uncheck **Create month-end statement?**

Creating a layaway account (cont'd)

Credit

Balance Forward Open Item

Credit Limit:

Default PO # to use:

No Prompt Payment Discount

Trade Discounts

Percentage Respect Min Margin

Require PO on invoices?

Apply Service Charge?

Accept checks from customer?

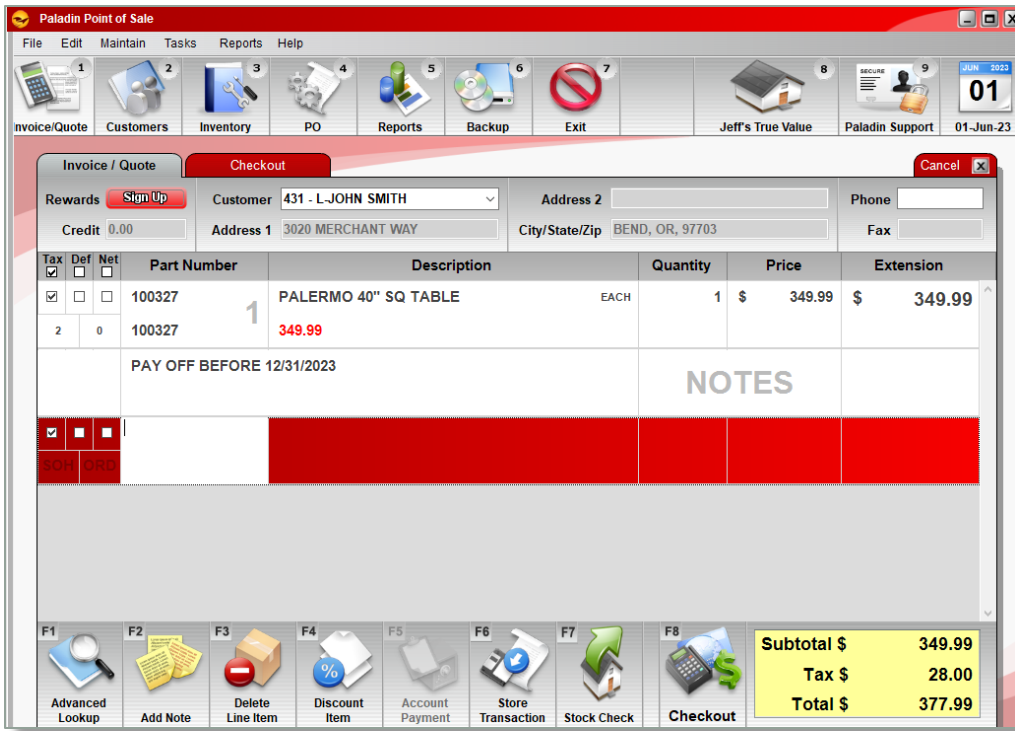

Ignore Past Due Invoice Hold?

Match Authorized Signers List?

7. Select the **Credit** tab.
8. In the Credit pane, uncheck **Apply Service Charge?** (Layaways don't need this, but by default it is selected when creating a new customer account).
9. Click **F12 Save**.

Now that a layaway account is created, depending on if you want layaway customers to receive statements (see step 6 on the previous slide), you'll be able to send a monthly statement as a reminder to your layaway customer(s).

Creating a layaway order

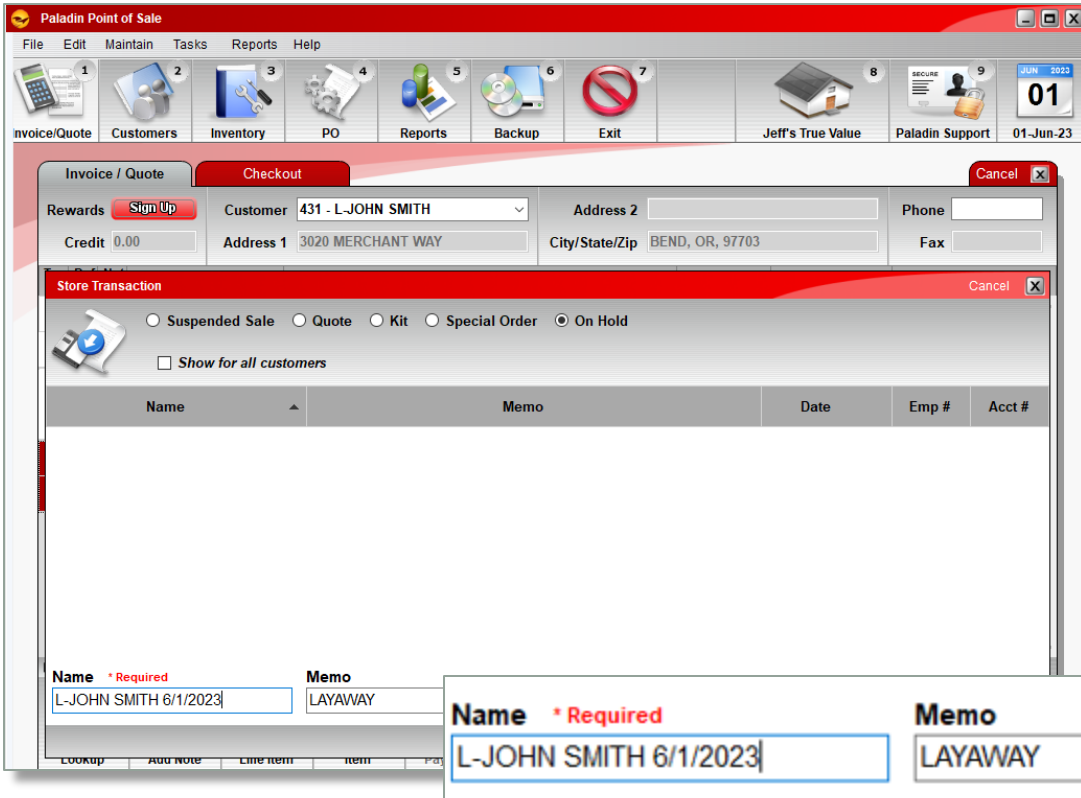

The screenshot shows the 'Paladin Point of Sale' software interface. The main window is titled 'Invoice / Quote' and is in the 'Checkout' tab. The customer is '431 - L-JOHN SMITH' with address '3020 MERCHANT WAY, BEND, OR, 97703'. The item is 'PALERMO 40" SQ TABLE' with a quantity of 1 and a price of \$349.99. The total amount is \$377.99, including a tax of \$28.00. The interface includes a menu bar, a toolbar with icons for various functions, and a bottom ribbon with function keys F1 through F8.

Tax	Def	Net	Part Number	Description	Quantity	Price	Extension
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	100327	PALERMO 40" SQ TABLE	1	\$ 349.99	\$ 349.99
			2	100327		349.99	

Subtotal \$ 349.99
 Tax \$ 28.00
 Total \$ 377.99

1. In Paladin, on the top ribbon, select the **Invoice/Quote** module.
2. In the **Invoice/Quote** tab, in the **Customer** list, select the layaway customer.
3. Scan the item or enter the part number in the **Part number** box and press **Enter**.
4. Enter a quantity in the **Quantity** box if more than 1 and press **Enter**.
5. As an option, enter a **Note** describing any special conditions of the layaway terms.
6. On the bottom ribbon, click **Store Transaction**.

Creating a layaway order (cont'd)

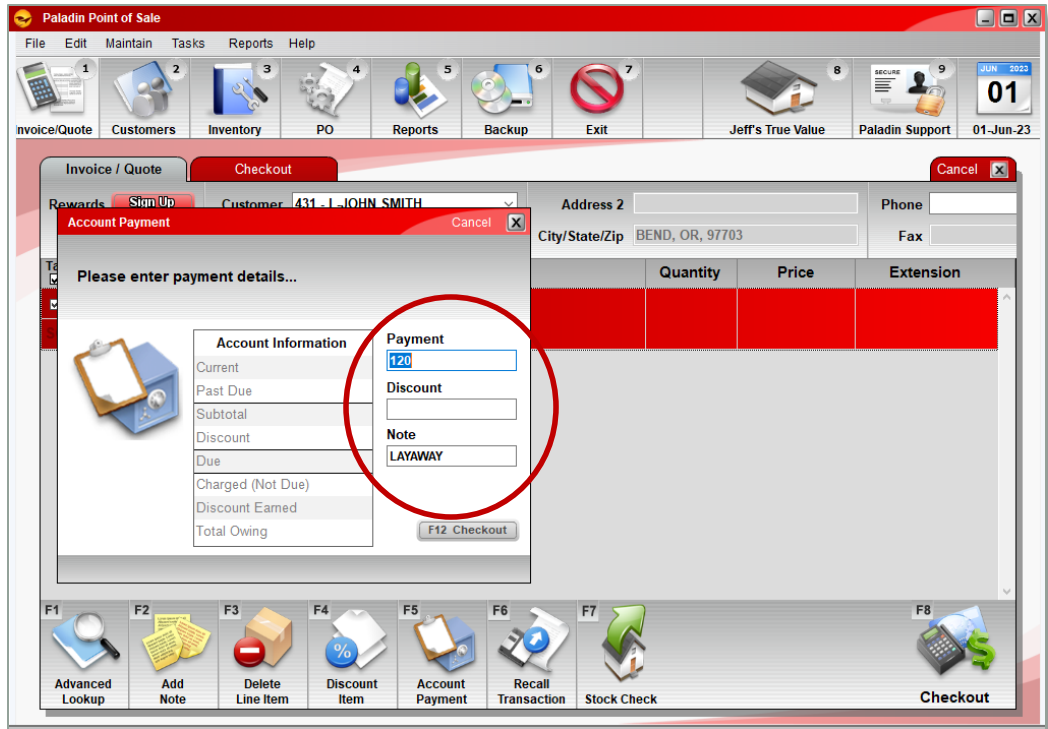

The screenshot shows the 'Paladin Point of Sale' software interface. The main window is titled 'Invoice / Quote' and 'Checkout'. The 'Store Transaction' window is open, showing options for 'Suspended Sale', 'Quote', 'Kit', 'Special Order', and 'On Hold' (selected). Below the options is a table with columns for Name, Memo, Date, Emp #, and Acct #. The 'Name' field contains 'L-JOHN SMITH 6/1/2023' and the 'Memo' field contains 'LAYAWAY'.

Name	Memo	Date	Emp #	Acct #
L-JOHN SMITH 6/1/2023	LAYAWAY			

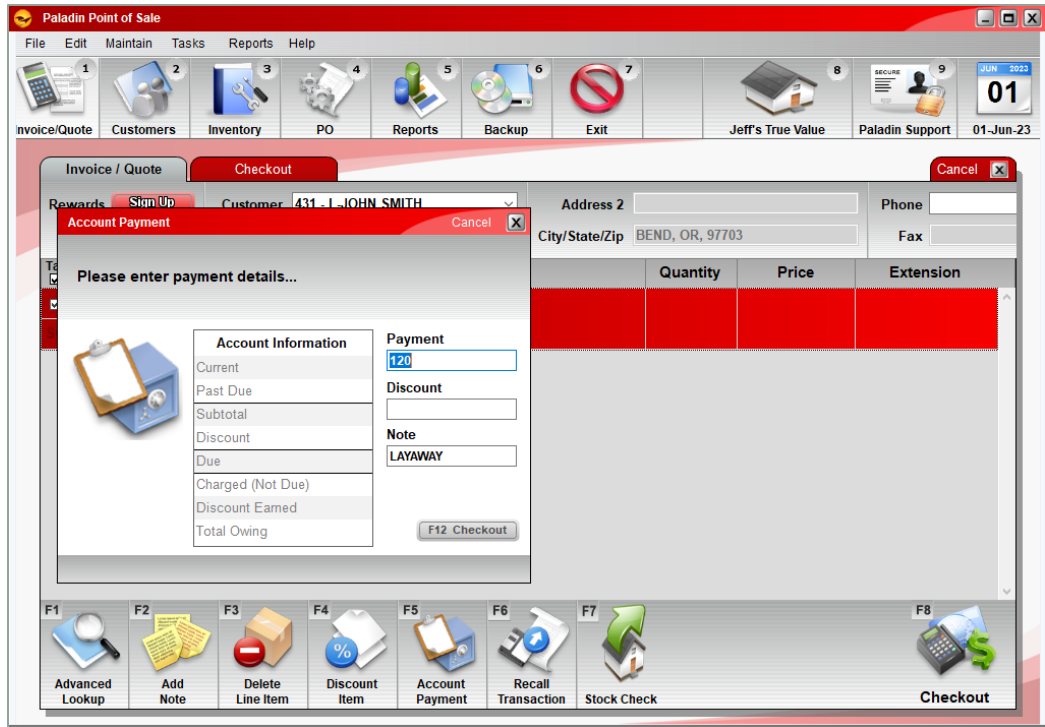

7. In the **Store Transaction** window, select **On Hold**.
8. In the **Name** box, enter a layaway customer **name** followed by the **current date**, (because Name must be unique).
9. In the Memo box enter the term **LAYAWAY**.
10. Click **F12 Store**, and then cancel out of the **Invoice/Quote** module.

Receiving a layaway payment

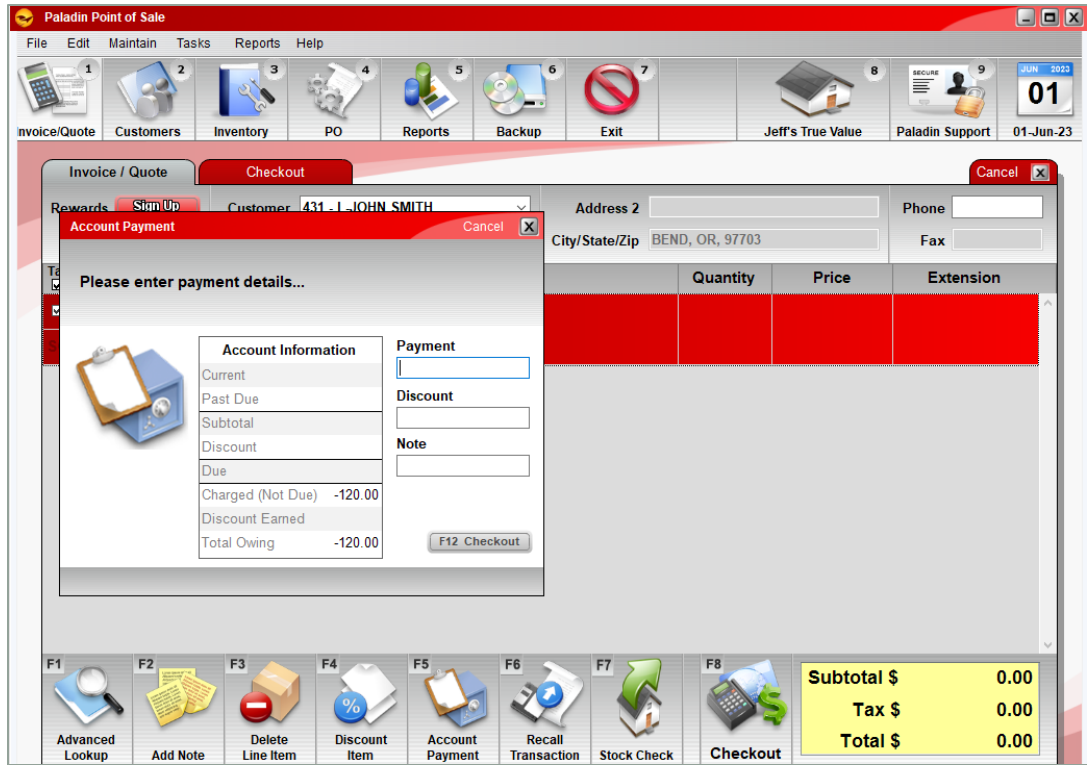

1. In Paladin, on the top ribbon, select the **Invoice/Quote** module.
2. In the **Customer** list, select the layaway customer.
3. On the bottom ribbon, click **F5 Account Payment**.
4. In the **Account Payment** window, enter the payment amount in the **Payment** box.
5. In the **Note** box, enter the term **LAYAWAY**.

Receiving a layaway payment (cont'd)

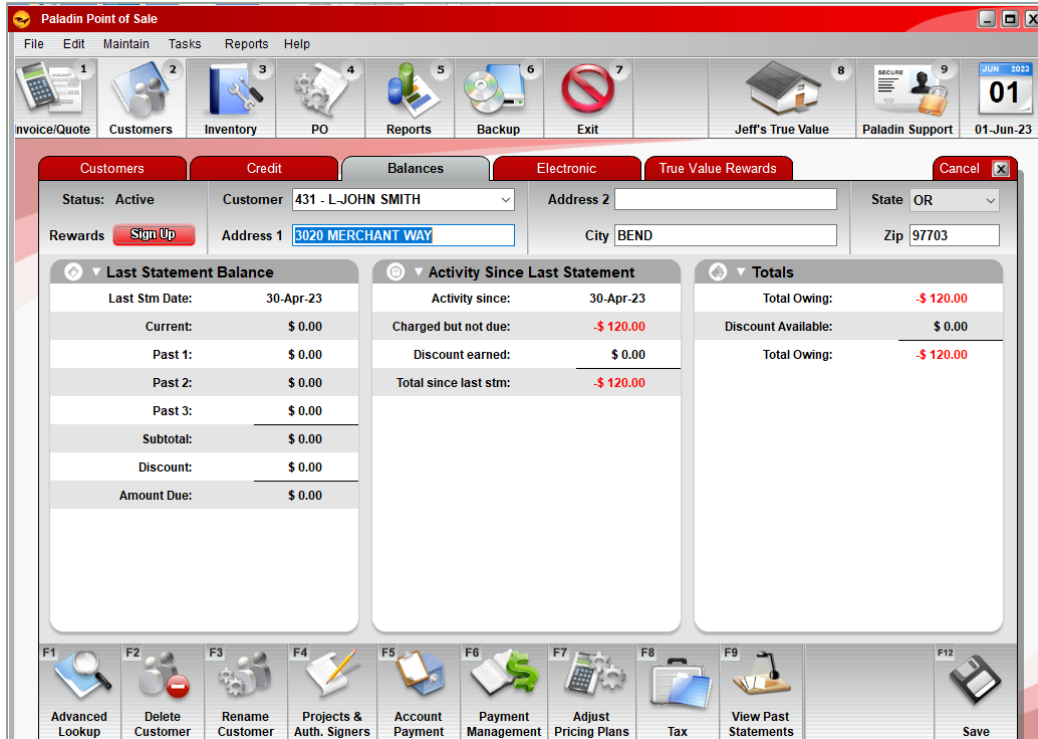

6. Click **F12 Checkout**.
7. On the bottom ribbon, select the method of payment, and then press **Enter**.
8. In the **Transaction Complete** window, you can print the customer receipt with the payment amount.
9. Cancel out of the **Invoice/Quote** module.

Viewing a layaway status option #1

1. In Paladin, on the top ribbon, select the **Invoice/Quote** module.
2. In the **Customer** list, select the layaway customer. You may search for “L-” or “LAYAWAY-” under **F1 Advanced Lookup**.
3. On the bottom ribbon, click **F5 Account Payment**.
4. In the **Account Payment** window, the layaway amount will appear as a negative amount in the **Charged (Not Due)** box.
5. Click **Cancel**, to exit out of the **Invoice/Quote** module.

Viewing a layaway status option #2

The screenshot shows the 'Paladin Point of Sale' software interface. The top ribbon includes modules like Invoice/Quote, Customers, Inventory, PO, Reports, Backup, Exit, Jeff's True Value, and Paladin Support. The 'Customers' module is active, and the 'Balances' tab is selected. The customer information for 'L-JOHN SMITH' is displayed, including address and zip code. The 'Last Statement Balance' and 'Activity Since Last Statement' sections show a current balance of \$0.00 and a charged but not due amount of -\$120.00. The 'Totals' section shows a total owing of -\$120.00. The interface also includes a 'Sign Up' button for rewards and a 'Cancel' button to exit the module.

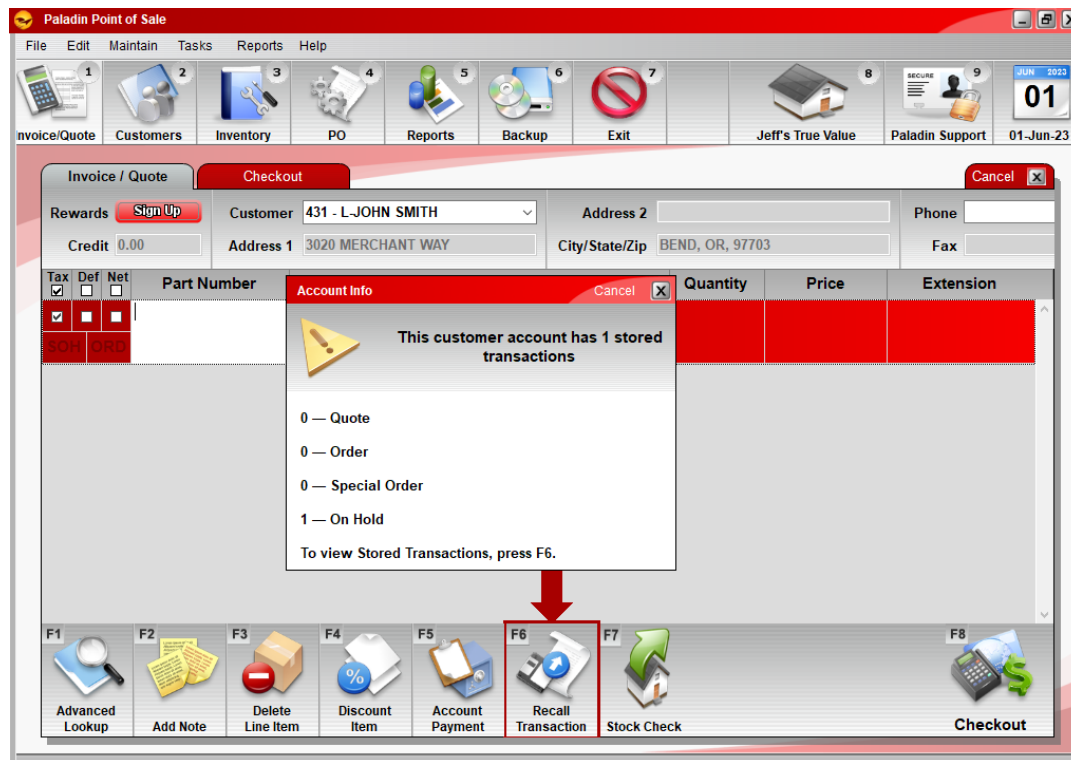

Last Statement Balance	
Last Stmt Date:	30-Apr-23
Current:	\$ 0.00
Past 1:	\$ 0.00
Past 2:	\$ 0.00
Past 3:	\$ 0.00
Subtotal:	\$ 0.00
Discount:	\$ 0.00
Amount Due:	\$ 0.00

Activity Since Last Statement	
Activity since:	30-Apr-23
Charged but not due:	-\$ 120.00
Discount earned:	\$ 0.00
Total since last stm:	-\$ 120.00

Totals	
Total Owing:	-\$ 120.00
Discount Available:	\$ 0.00
Total Owing:	-\$ 120.00

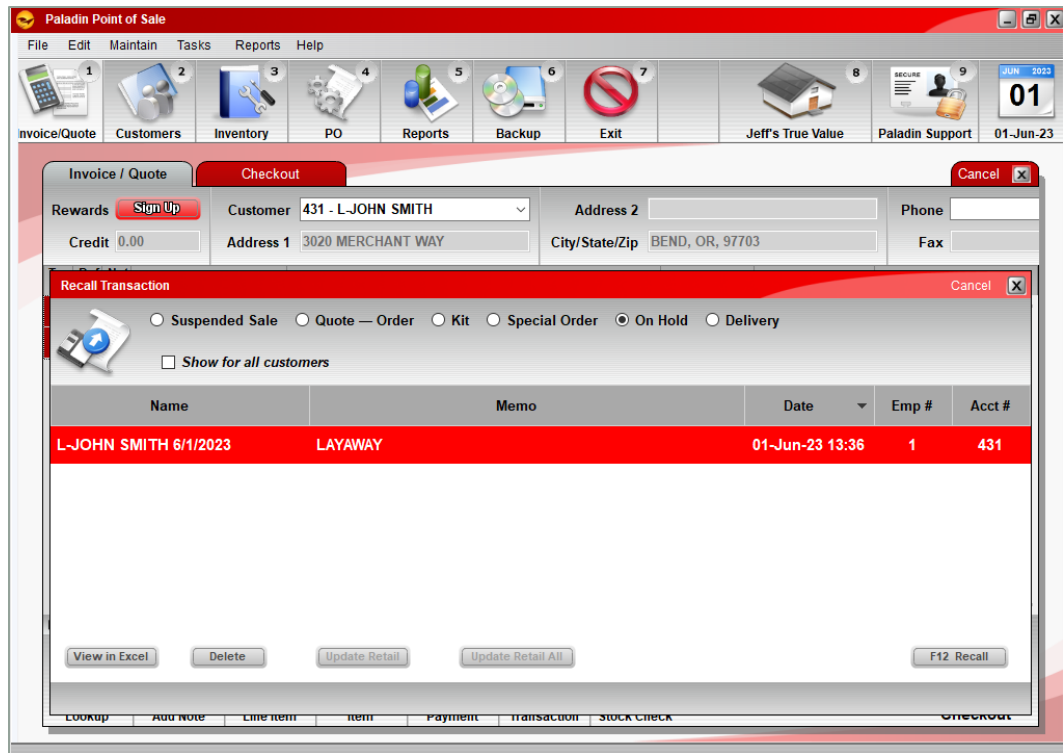

1. In Paladin, on the top ribbon, select the **Customer** module.
2. In the **Customer** list, select the layaway customer.
3. Select the **Balances** tab.
4. The credit amount in **red** is the amount paid to date on the layaway item.
5. Click **Cancel**, to exit out of the **Customer** module.

Recall and complete a layaway transaction

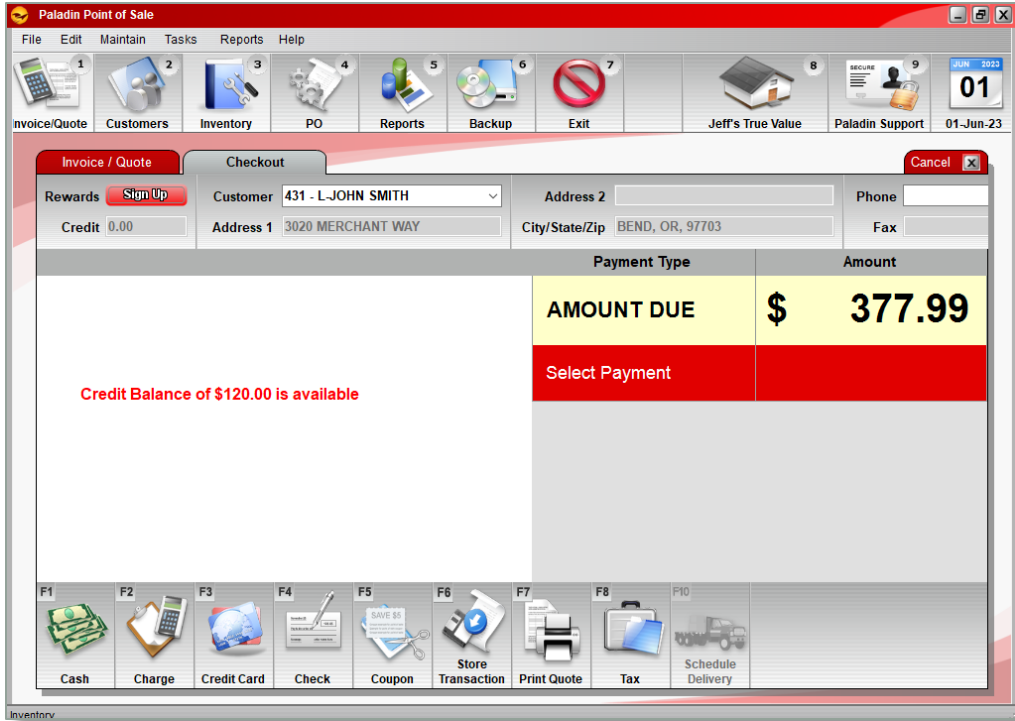

1. On the top ribbon, select the **Invoice/Quote** module.
2. In the **Customer** list, select the customer.
3. If configured, the **Stored Transactions** window opens and points to **F6 Recall Transaction**.
4. Press **F6 Recall Transaction**.

Recall and complete a layaway transaction (cont'd)

5. In the **Recall Transaction** window, highlight the transaction, and press **F12 Recall**.
6. Press **Enter**.
7. In the **Invoice/Quote** window, Press **F8 Checkout**.

Recall and complete a layaway transaction (cont'd)

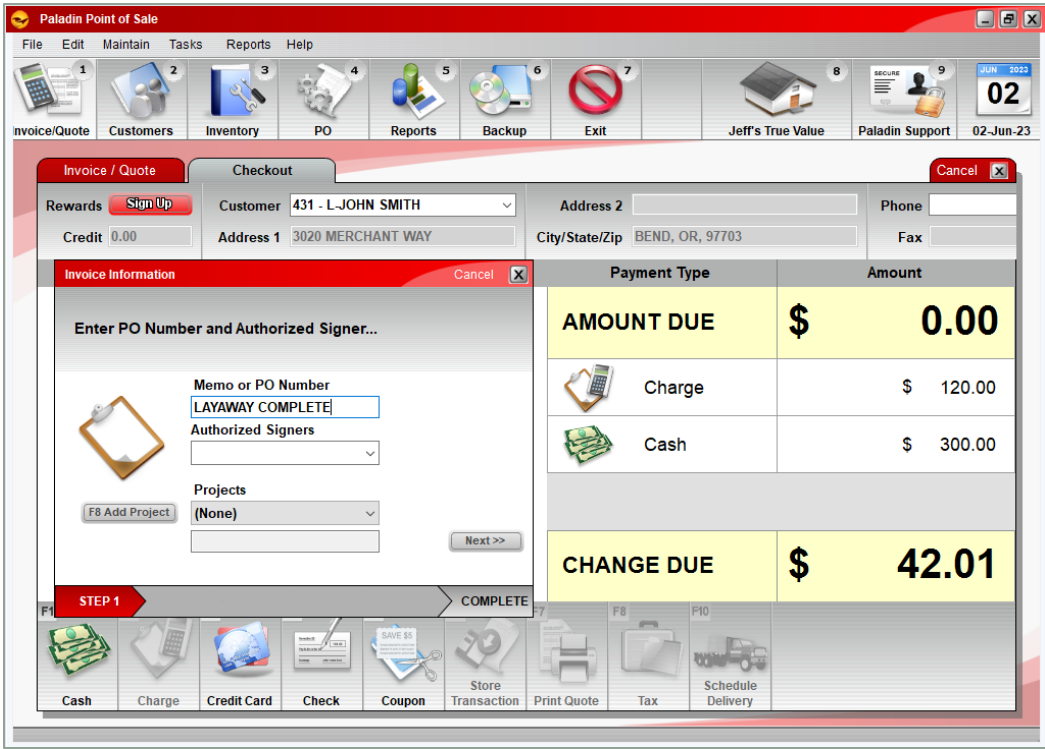

The screenshot shows the 'Paladin Point of Sale' software interface. The main window is titled 'Checkout' and displays customer information for 'L-JOHN SMITH' at '3020 MERCHANT WAY, BEND, OR, 97703'. The 'Payment Type' section shows an 'AMOUNT DUE' of '\$ 377.99' and a 'Credit Balance of \$120.00 is available'. The 'Select Payment' button is highlighted in red. The interface includes a menu bar (File, Edit, Maintain, Tasks, Reports, Help) and a toolbar with various icons for functions like Invoice/Quote, Customers, Inventory, PO, Reports, Backup, Exit, Jeff's True Value, and Paladin Support. A date display shows 'JUN 01 2022'.

Payment Type	Amount
AMOUNT DUE	\$ 377.99
Select Payment	

8. Select the **Charge** payment option and press **Return**. This action will use the available credit for the layaway item.
9. If there is any balance due above the credit amount, select the payment type and finalize the payment.

Recall and complete a layaway transaction (cont'd)

10. In the PO/Memo field, enter the term **LAYAWAY COMPLETE**
11. In the **Signature Capture** window, have the customer sign or click **Next** and follow the prompts to bypass the signature.
12. When the transaction is completed, if configured, a receipt will print.
13. Press **Cancel** to exit out of the **Invoice/Quote** module.

Create a payment report for layaway orders per customer

1. On the top ribbon, select the **Reports** module.
2. In the **Report Area** pane, select **Sales Analysis > What I Need to Know**.
3. In the **Report List** pane, click **Transaction Report - Excel**.
4. In the **Choose Report** pane, click **F12 Next**.
5. In the **Report Settings** pane, select the **Date Range** and **Account Name**.

Create a payment report for all layaway orders (cont'd)

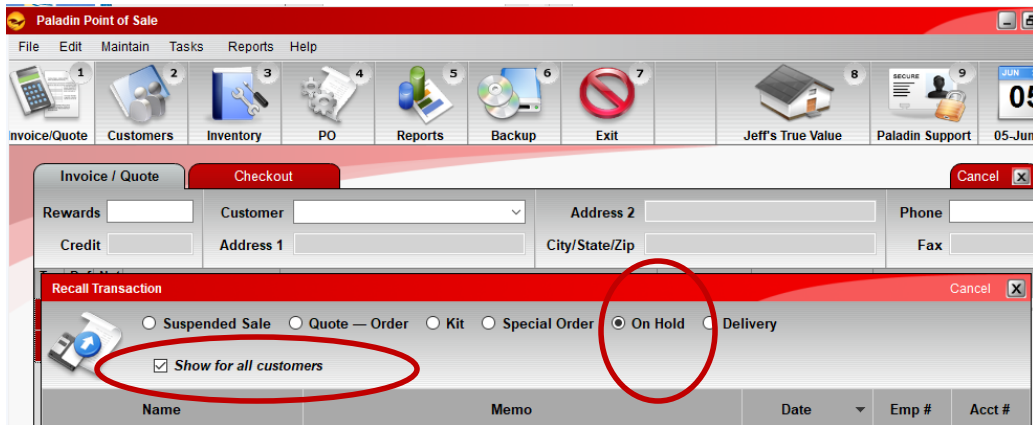

6. In the **Additional Settings** pane, select the **Show Invoice Notes** checkbox.

7. Click **F12 Run Report**.

A Microsoft Excel document containing the details of the layaway for the specific customer and timeframe will open.
