

Powerfully Simple Point of Sale

Best Rewards and Paladin Point of Sale

Paladin Point of Sale is fully integrated with the Best Rewards program allowing you to offer quality benefits to your customers and keep them coming back. This program is available to Do It Best branded stores.

Value

Do it Best Corp. proudly serves 3,800 member-owned locations throughout 54 countries. The integration between Paladin Point of Sale and Best Rewards enables Do It Best stores and their customers to benefit from an effective loyalty program.

The Best Rewards program will strengthen customer loyalty and boost store revenue by encouraging customers to visit frequently and spend more. Get ahead of your competitors by using a loyalty program that works within your Paladin Point of Sale system.

Learn about the benefits of loyalty programs.

What can I do with Best Rewards?

Your customers can participate in the Best Rewards program and have points credited to their rewards account automatically. The only action required from the cashier is to enter the customer's Best Rewards number at checkout.

With this integration, Do It Best stores are able to:

- Offer customers incentives to keep them returning
- Track customer purchases within Best Rewards
- Provide unique sales and promotions
